Conference offer 2023

Pinia Hotel & Resort is located in the famous mountain resort and offers under one roof four-star standards of comfortable accommodation, high-level gastronomy, abundance of leisure activities for children and adults and moreover excellent background for providing conference services. You can find in our wellness center swimming pool, saunas, solarium, relaxing baths and wide range of massages and other wellness treatments, which will satisfy even the most demanding guests throughout the year. In the summer season is the hotel ideal starting point for cycling and hiking in the Krkonoše national park, in winter are in Špindlerův Mlýn available many kilometers of slopes and trails for cross country skiing. This makes our hotel an ideal place for your rest, active or family vacation or company meeting

Why to choose our hotel?

- conference areas for intimate meetings of 10 people up to large events
- the biggest Congress hall with capacity for up to 200 participants
- technical support in all areas according to your requirements
- all areas have a daylight
- our staff will professionally advise you in the organization of an event, the selection of a suitable area, and will also arrange external supplier services (music, decorations, an accompanying program, a program outside of the hotel)
- complete turnkey event according to the client's wishes organized by experienced management and employees
- a large number of successfully implemented conferences organized by local, national and multinational companies as well as individual

Hotel location

The hotel is located in the town of Špindlerův Mlýn in the surroundings of the Krkonoše (Giant) Mountains National Park near the Elbe River dam, which at 740 meters above sea level is the dam at the highest altitude on the Elbe River. It is an ideal starting place for summer hiking and winter cross country skiing through the Krkonoše Mountains.
